

**AVCA Announces 2011-12 Under Armour Girls' High School All-America Watch List**

**LEXINGTON, Ky.** (August 9, 2011) - The American Volleyball Coaches Association (AVCA) is pleased to announce the Under Armour Girls' High School All-America volleyball athlete Watch List for the 2011-12 season.

This year's watch list includes 646 players from 38 states and serves as the starting point for the Under Armour All-America selection process.

In November, the AVCA will name 48 student-athletes as an Under Armour All-American, with 24 players being selected to both a First-Team and Second-Team. Each of the 24 players on the First-Team will be invited to play in the Under Armour All-America Volleyball Match & Skills Competition. The event will be held on Friday, December 16 from 8-10 p.m. (CST) at the Alamodome in San Antonio, Texas, in conjunction with the 2011 AVCA Annual Convention.

**Having an athlete on the watch list does not automatically nominate her for postseason honors.** The general requirements for nominating a student-athlete for Under Armour All-America honors are:

- The student-athlete must have completed her senior year of eligibility.
- The student-athlete's head coach must be a member in good standing of the AVCA. Head coaches have until Friday, October 14 to become a member or renew their membership to ensure compliance.
- Head coaches must be using MaxPreps.com, a **free** service to a free service that aggregates and distributes data on high school sports, to upload team and individual statistics.
