IMPACT Clinic

All coaches must be IMPACT certified to coach in any USAV event. The first IMPACT clinic is scheduled for **Saturday, 12/04/10, 8am-12pm, at the UH Athletic Complex Lecture Hall**. David Babino will be the clinician. Please have your coaches, who are not currently IMPACT certified, register for this clinic. Cost will be \$35 for current USAV Aloha Region members (membership will be verified). The clinic is also open to anyone who is interested. Cost will be \$45 to non-USAV Aloha Region members. The registration form is posted on the website on the "Education" page.

We are not sure when we will schedule another Oahu clinic. Other clinics will be scheduled on Maui and Kauai in January/February.

CAP Modules

Stu Sherman, former Graceland University Men's Head Coach, will be in town and available to conduct a few CAP modules while he's here. We will schedule these modules on **Saturday, 12/04/10, at the UH Athletic Complex Lecture Hall** after the IMPACT Clinic. The topics will be finalized by the end of next week and will be announced to the membership.
