ALOHA REGION JUNIORS NEWSLETTER

August 2011

Aloha Club Directors,

Congratulations to all of you for a successful 2010-2011 club season. The Aloha Region was well represented at all the national tournaments this year. A few teams came home with national titles while others brought home medals by finishing in the top 3 in their designated divisions. Many teams just enjoyed the competition and had fun altogether. Great job to all of you for making it happen for the athletes!

As we end the club season and roll into the school volleyball season, many of you are already looking ahead and starting to plan for the 2011-2012 club season. Please continue to email if you have questions about the new club season.
