

# ALOHA REGION -- JUNIOR REFEREE/SCORER CERTIFICATION

---

Junior teams traveling to off-island tournaments, i.e., USAV Qualifiers, Volleyball Festival, Junior National Championships, AAU Championships, etc. are required to have at least one certified second referee and two certified scorekeepers. The certified official could be a player, coach, or parent and must be a registered member of the RVA and USA Volleyball.

## TEAM OFFICIATING DUTIES *(2016-17 National Championship Manual)*

*Teams must provide second referees for all assigned matches (unless an assigned match has a certified official as second referee); two line judges; a scorer (scorekeeper); and an assistant scorer (visual scorer and libero tracker). The second referee must be a rostered adult for all 14 & under and younger age divisions.*

- *A team that fails to have a complete officiating crew available for an officiating assignment - including a rostered adult for that team - at the time the court official is ready to proceed can be penalized by losing points in the first set of its next match.*
  - *For every minute an officiating team is late to fulfill its assignment, one point will be awarded to that team's next opponent in the first set of the next match, up to a maximum of 25 points.*
  - *Penalty points begin to accumulate at the start of the receiving team's warm-up.*
- *An adult listed on the event roster must be present at the scorer's table and easily identifiable while any members of the team are officiating.*
  - *Performing duties as the R2 on the match the team is assigned to officiate fulfills this requirement.*
- *A team may forfeit its entire next match for failing, a second time, to have an officiating crew available on time for an officiating assignment.*
- *Teams choosing not to play a match or fulfill their officiating responsibilities on the final day of competition may be financially penalized at a level established and published by the Event. Teams being penalized shall be restricted from playing in further National Qualifiers and/or the USAV Girls' JNC until this penalty is fulfilled.*

To become certified/re-certified as a Junior Referee/Scorer, there are four core components that have to occur every year – membership, clinic, exam, and practical. The candidate must:

1. Be a current USA Volleyball registered member in good standing with the Aloha Region.
2. Attend the current year's Accreditation clinic
3. Complete the required curricula through USAV Webpoint and Official Training & Education System
4. Demonstrate the ability and desire to officiate satisfactorily as a referee/scorer during subsequent practical evaluations.
  - a. The Officials' Chair or designee will observe all candidates during and after the officials' clinic.
  - b. Each referee candidate must receive at least two favorable ratings by the Officials' Chair or designee in a minimum of two matches as a second referee.
5. Certification as a Junior Referee/Scorer is valid for a period of one year

The AH Region utilizes USAV Volleyball Academy to facilitate the training for all junior referees and scorers. Clinics have been developed for both new and recertifying referees and scorers. More importantly is the integration between USA Volleyball's Learning Management System (USA Volleyball Academy) and USAV's membership database (Webpoint).

There is a single sign-on for USAV Academy from USAV Webpoint.

It is important that you read this carefully to assist you in achieving that integration. If you follow the new process to access the clinics and training materials – a new process for all – you will find it easier to ensure that you get the correct materials to begin your training.

## To register for the Aloha Junior Referee/Scorer Clinics:

1. Register for the course online
  - a. [Login to your USA Volleyball Membership page in Webpoint](#)
  - b. On the left side bar, under **Event Administration**, click “My Events”
    - i. The clinic selections are as follows:

**IMPORTANT: -- If you would like to be certified as a Scorer and Referee you will need to complete both courses.**

2. Select the appropriate clinic(s). Click on “Register” and complete the required information and “Submit”
3. You should then be able to click on the button that will take you directly to USAV Academy. Once there, the course curricula should be populated. 
4. Scorer candidates - Be sure to print a blank score sheet to use during the clinic!!!
5. Take all modules and quizzes (you can do them all at once, or do one and come back at a later time to complete the rest).
6. A 50-question exam may/may not be part of the course materials. You may take it open book if you like. Passing is 84%. Please review the rule references for the questions you missed. Take the exam until you have achieved a passing score.
7. Once you have completed the entire curricula you will receive your **CERTIFICATE OF COMPLETION**. You will need to contact Wayne Lee ([wayne.lee45@gmail.com](mailto:wayne.lee45@gmail.com)) to arrange for your practical evaluation.
8. Once the evaluation is completed, the referee/scorer status will be updated to “Current”.

If you have any questions, contact Wayne Lee ([wayne.lee45@gmail.com](mailto:wayne.lee45@gmail.com)).
