

Dear USAV Member,

For athlete safety purposes, the U.S. Center for SafeSport is requiring all athletes who are 18 years old or older during the 2018/19 USAV membership season to take the Core Center for SafeSport training prior to competing in USAV events. We are contacting you today regarding the upcoming Boys Junior National Championships (BJNC) that you will be attending. To ensure no disruption in play, you will need to complete the training prior to your arrival at the BJNC.

Below you will find the instructions to enroll for the training through the USAV academy. The training has 3 lessons that take approximately 30 minutes each to complete. Once all 3 lessons have been completed your member record will automatically update.

How To Register for Training

1. Go to <https://webpoint.usavolleyball.org/>
2. Log in to your USAV account
3. In the navigation menu, click on USAV Clinics and select USAV Coaching Clinics
4. Select "Core Center for SafeSport Training"
5. Complete registration
6. To access coursework, click on the "Log into USAV Academy" button

For any assistance in completing the registration or for technical difficulties with the training please email safesport.general@usav.org.

Thank you again for your support in ensuring our members play in a fun and safe environment.
